## Raltron Names New VP of Sales

MIAMI – May 23, 2023 – Raltron, a global leader in high performance frequency management components and wireless antenna products has appointed Peter Sedlak as Vice President of Sales. Sedlak brings an extensive sales and engineering background to Raltron. With more than 20 years in Western Regional Sales Management, Sedlak’s relationships with OEM customers, manufacturers’ representatives and the distribution channel will facilitate continued growth at Raltron.

“Peter has an impressive track record of sales growth in frequency control device sales,” said Sasha Wolloch, President of Raltron. “From building and managing relationships to expanding into new markets, we are excited for the expertise and innovation Peter is bringing to Raltron.”

To contact Peter Sedlak, you may reach him at [peter@raltron.com](mailto:peter@raltron.com) or for detailed information on Raltron’s broad lines of frequency management products, visit [raltron.com](http://raltron.com).
